New Delac NT Double Bracket

New Delac Ceiling Double Bracket

For Wave Style

- The Wave Style creates a feeling of naturally flowing fabric.
- The curtains are draped in gentle waves about 1.5–2.2 times the width of window, resulting in a continuity of pattern and texture.
- There is a natural wave in the curtains at intervals of 80 mm (3.2”).
- With its tape and accessories, it creates natural, elegant symmetrical waves.

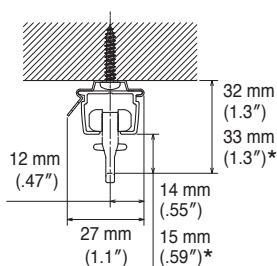

*Pleating cord keeps waves evenly shaped, making the curtain rich and stylish.

*For more details about Wave Style, please refer to the catalog “New Delac with Wave Style Components”.
