

Refre

- Rail designed to enable anyone to easily bend it into a curve.
- Can be installed by anyone using a screwdriver or cutter, without the need for a special bender.
- Ready to be bent into L-shaped, S-shaped, U-shaped and other shaped curves.

Refre

Refre's Unique Feature

- Easily bendable by hand, without using special bender.
- Adjustable your favorite length with scissors or cutters.
- Both Ceiling and Wall Attachment are available.

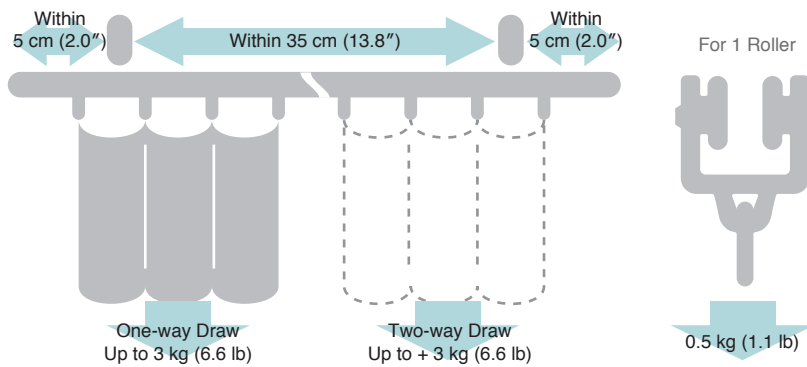

Bending possible in L-shaped, S-shaped or U-shaped. Suitable for bay windows.
